## EDUCATION

Technical Course in  
Information Technology  
IFSP (Cubatão) | 2019 – 2022

## SKILLS

### Soft Skills

- Communication
- Proactivity
- Adaptability
- Fast Learning
- Problem Solving
- Creativity
- Flexibility
- Teamwork

### Hard Skills

- JavaScript / TypeScript
- Java
- Ruby
- Python
- Next.js / React.js
- Figma / UI Design
- Spring Boot
- Redux
- HTML & CSS
- SQL & NoSQL databases
- RESTful API
- Docker, Kubernetes & CI/CD

## WORK EXPERIENCE

### Full Stack Software Engineer

LoanOfficer.ai | Feb 2024 – Jul 2025

Drove the design and development of a real estate CRM with AI integration, responsible for building the application and designing user flows and interfaces in Figma.

- Full-stack development with React, Next.js, Node.js, Python, and modern UI frameworks.
- Complex workflows & APIs: validation, authentication, authorization, and service integration.
- Performance & DevOps: load optimization (-35%), CI/CD pipelines with Docker & GitHub Actions.
- UX/UI design: Figma interfaces focused on usability, accessibility, and efficiency.

### Full Stack Software Developer

Clear Cloud Software | Jan 2022 – Feb 2024

Led cross-functional teams across diverse SaaS initiatives, including marketplaces, delivery platforms, and team management applications. Conducted training sessions on software development and UI/UX design, while ensuring products adhered to accessibility, usability, and responsiveness standards.

- Developed SaaS platforms including marketplaces, delivery apps, CRMs, and team managements.
- Built web apps with React, Next.js, Node.js, Python and managed SQL/NoSQL databases.
- Improved performance (-98% load time) and optimized workflows for consistency and efficiency.
- Supported teams in agile environments, promoting code quality, usability, and UI/UX best practices.

### Software Developer Freelancer

Several Clients | 2020 – 2022

Developed tailored digital solutions for multiple clients, building REST APIs, managing SQL databases, and designing responsive web applications with modern frameworks. Implemented automated testing and containerized deployments with Docker and Kubernetes, ensuring scalability, usability, and efficiency.

## Languages

English Intermediate (B2)    Portuguese Native / Fluent

## CERTIFICATIONS

### React + Redux Course:

### Fundamentals and 2 Apps from Scratch

Cod3r | May 2022

JavaScript, React, Redux, Next.js, React Hooks, MongoDB, React-hook-form, Node.js, Express.js, HTML, CSS

### Hiring Coders Training

### Program

Gama Academy | July 2021

React.js, Node.js, Soft Skills, Git, GitHub, TypeScript, GraphQL, REST API, Next.js, SQL, HTML, CSS, JavaScript

### Workshop – Spring React

### Week

DevSuperior | September 2021

Java, JPA, SQL, Spring Boot, REST API, React.js, SQL, Bootstrap, HTML, CSS, Bootstrap
